The District Land & Land Reforms Officer,

Sub : Gender updation against each ROR through e-Bhuchitra

Till date the RORs created under WBLR Act does not contain any gender specific information related to a specific Raiyat. After introduction of the centralized system, several MIS reports are required to be generated time to time for socio-economic analysis. But till date, the ROR database contains no gender information. To overcome this shortfall, e-Bhuchitra had been modified a little so that gender information can be incorporated against each ROR. The gender updation is required to be completed within 15<sup>th</sup> April 2020.

The following steps are required to take .:

- 1) Taking a pdf copy of the mouza wise raiyat list from eBhuchitra. Consulting the softcopy of this Raiyat list, updation the gender status of a Raiyat in eBhuchitra may be done as far as practicable.
- 2) The Gender Status updation menu is available in e-Bhuchitra under  
প্রশাসন -> রায়তের বিবরণ --> রায়তের বিবরণ সংশোধন.
