Subject: Matter pertaining to verification report of land in respect of 14Y applications.

Madam / Sir,

I am directed to refer to the abovementioned subject and to state that when 14Y applications are made to this Department for obtaining permission to acquire and hold land in excess of ceiling limit, concerned District Magistrate is requested for field verification as well as verification of land with R.O.R. and submit a report of such verification together with a proforma report. Often it is seen that it takes a long time for verification of land as well as submission of report of such verification.

Hence it is requested that verification of land as well as submission of report of such verification to this Department should be completed within a period of 30 days or before from the date of receipt of letter issued in this regard by this Department.

S.M.D.

You are, therefore, requested to kindly monitor such cases personally henceforth and ensure that no deviation to this order is made.

This is extremely urgent.

Yours faithfully
