Sub : Disposal of Misc. petition

It has come to the notice to the undersigned that in many cases BL&LRO start for proceeding u/s 51A(4) Suo-Moto without the previous permission of the undersigned and dispose of the cases by rejecting on the ground that the petitioner did not file his grievance for correction of R-O-R at any stage under Chapter VIII. This is not desirable. If it is continued, the mission of the undersigned for giving relief to the helpless people will be in vain. If any mistake, in the R-O-R occurs, BL&LRO should entertain the petition for giving natural justice for correction of R-O-R irrespective of the fact that the petitioner did not appear at any stage of the report regarding the mistake done in the R-O-R and obtain prior permission from the undersigned for initiation of proceeding u/s 51A(4) Suo-Moto and correction of R-O-R. Under no circumstance petition will be rejected on the sole ground of non-attendance of the petitioner at any stage. Obviously, the principle of res-judicata will attract in case of proceeding u/s 51A(4) of the said Act. If it is found that the petitioner's application for correction of R-O-R has been rejected in any case u/s 51A(4) on application, he will have to file appeal u/s 51A(5) of the said Act before the prescribed Authority as per norms.

So, you are once again requested to consider a petition for correction of R-O-R as per procedure as stated above.
